The July 3, 4, 5 and 6th BSRKC Special Event at Kawartha Speedway will be our richest karting event so far this year. A to Z Capital Corp. and Andy DeFrancesco together with Kawartha Speedway and Derek Lynch are making this extraordinary purse possible. And if you include the season's sponsorship from Yorkdale Ford and Yogen Fruze, we now have prizes ready for you at Kawartha Speedway of \$250.00 for 1st place, \$150.00 for 2nd place and \$100.00 for 3rd place. That's 15 Classes at \$500.00 each for a total of **\$7,500.00**. All of which will be awarded the *same day* together with the fabulous trophies, draw prizes and Fast Qualifier pictures presented by the Autosports Media Group and Cody Schindel.

The Principals and Organizers of the BSRKC Series have revised the Kawartha Speedway track configuration to meet a new safety standard that will once again challenge all competitors. If you enjoyed last year's event at Kawartha Speedway wait until you see what we have in store for you this year. The BSRKC Series is dedicated to developing superb racing talent and we get the job done by organizing races at different high profile venues across Ontario.

Please visit the www.BSRKC.com web site. All of the details for this special event are available on the 2008 Schedule page, including the Schedule of Events, the Entry and Pre-Tech Forms as well as the Accommodations details.

Make sure you send LyndaChiovitti@hotmail.com an email today so that you too are entered in the Friday night Demonstration Races. These two Junior and Senior Classes will be competing for two prestigious Cups. And, participants in the Friday night Demonstration Races do *not* have to move out of the Paddock.

Mark the dates on your calendar. Make sure you join us for what will prove to be another fantastic BSRKC Special Event. This race precedes the special Bear Hunt race at Shannonville Motorsport Park. It's also the second last opportunity for the competitors in the BSRKC Rotax Max Challenge Classes to prove that they are worthy of being awarded one of the 10 berths, (sponsored by Max Air Environmental Systems Inc. and Mike Preston, CF Groups and Cole Cacciavillani and Quinlan Inc. and Todd Quinlan), to compete in the Canadian Rotax Max Challenge Grand Nationals in Grand-Mere, Quebec.
